

Dear Parents & Students,

As we all are aware that COVID-19 pandemic continues to expand in India and the world. It is obvious for children to feel Stress, Anxiety and worry during the current situation.

In view of the above concern, School's Counselling cell is active to help the students in coping up with the issues concerned to them and also to provide effective guidance in concerned areas.

Students can write their queries to the below mentioned School Counsellor's e-mail.
