

# THE QUARTERLY WRAP UP

## APS MEERUT

### APRIL TO JUNE

#### FROM PRINCIPAL'S DESK

Dear students,

As you embark on the new academic journey, it is time to set your sights high and challenge yourself to reach new heights.

***"Soar high, even the sky is not a limit!"***

It is not the strength of the wings, but the desire to be up there that makes the flight possible. Although the way ahead will be bumpy, but it is essential to unlock your creativity and come up with ideas that will help you surmount. Now is the time to sit down and chalk out the road map. Reflect on your past experiences; revisit them to make wise decisions.

Think of all possibilities and methods to tackle any problem that you might encounter. But remember; don't get too complacent or overconfident.

Wishing you all a successful and fulfilling academic year. Let us work in a sync to shine our inner lamp and illuminate the world around us.

Godspeed!
